

## **Cheap essay writing online**

The Number Of Pages [The price of your cheap essay writing service](#) depends on the number of pages that you need. The longer the essay, the more pages it has, the more money you will have to pay. It is better to estimate the number of pages you need before you place an order. You need to be aware of the fact that the price of essays is based on the number of words, not the number of pages.

The Subject The price of an essay is also based on the subject that you need help with. Essay writing services offer different rates for different subjects. For example, you might find that a company offers \$30 per page for finance essays, but they charge \$35 per page for history essays. Quality Of Work The quality of the work of a company is very important. Students pay a lot of money to buy essays for them, because they are too busy to write an essay themselves. They need the essay to be written based on the relevant guidelines. Some companies provide plagiarized work to students, so that they can save money.

At [essaydoc.com](#), we provide original and 100% plagiarism-free essays. All our essays are written based on the relevant guidelines and they are unique. The Academic Level We provide online writing services for all academic levels. The price of essays for high school students and college students is different. The prices of essays for high school students are cheaper than the prices of essays for college students. The prices of essays for college students are high because they require more research and writing and they are more complex.

Some other factors that can affect the price of your essay are Deadline Deadlines are important if you have a lot of work to do. You always need to choose your deadline wisely. If you need your essay to be completed in a week, you will have to pay more than if you need your essay to be completed in a few days.
